O R D E R

On October 19, 1995, Touch Tone America, Inc. ("Touch Tone America") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Touch Tone America is a California corporation proposing to resell the services of carriers currently certified within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. Touch Tone America does not seek authority to provide operator-assisted telecommunications services.

Touch Tone America employs no intrastate transmission or reception telecommunications equipment or facilities in the performance of its services, and all intrastate facilities, equipment, and networking will be provided by the underlying carrier. Touch Tone America will not construct any new facilities in the Commonwealth of Kentucky.

The information provided by Touch Tone America demonstrates its financial, managerial, and technical capability to provide

intrastate, long-distance telecommunications service. The proposed rates filed October 19, 1995 should be approved as the fair, just and reasonable rates to be charged.

In Administrative Case No. 306,<sup>1</sup> the Commission stated the importance of eliminating possible customer confusion arising from the name of the billing service, rather than the name of the provider of telecommunications services, appearing on the bill. Accordingly, Touch Tone America should ensure that its name appears prominently on all bills issued to customers for services rendered by it.

The Commission, having considered the application, the information provided by Touch Tone America, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Touch Tone America be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Touch Tone America shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>2</sup>

3. Touch Tone America shall ensure that its name appears prominently on all bills issued to customers for services rendered by it.

<sup>2</sup> Administrative Case No. 323, An Inquiry Into IntraLATA Toll Competition, An Appropriate Compensation Scheme for Completion of IntraLATA Calls by Interexchange Carriers, and WATS Jurisdictionality.

4. Touch Tone America's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and in Touch Tone America's application.

5. The rates and charges proposed by Touch Tone America are hereby approved as filed on October 19, 1995.

6. Within 30 days from the date of this Order, Touch Tone America shall file its tariff sheets in accordance with 807 KAR 5:011.
